

# HORIZON EX

Derived from the highly successful Horizon LS, the unique specification of the EX model retains all the positive engineering qualities of the Horizon range, yet adds specification features which combine to make this limited edition a highly specified and very desirable model.

Available in a choice of four body colours; Willow Green Metallic, Cafe Noir, Baltic Blue and Cherry, the EX offers exceptional value. It's 1442 cc engine cruises effortlessly at up to 95 mph, yet at a constant 56 mph returns over 50 mpg. The exterior styling tape treatment clearly identifies the EX as a very special model.
