

Talbot Horizon Ultra Specification

ENGINE

Four cylinder, five bearing crankshaft unit with overhead valves. Aluminium alloy cylinder head.

Bore 76.7mm Stroke 70mm
 Cubic capacity 1294cc
 Maximum power 64.0 DIN BHP @ 5600 RPM
 Maximum torque 80 lb.ft. DIN @ 2800 RPM
 Compression ratio 9.5:1

IGNITION

Electronic system to ensure constant ignition performance. 12 volt 40 amp/hour battery negative earth system. Coil and distributor with automatic centrifugal advance and vacuum advance control, alternator charging.

COOLING

Water cooled, closed circuit with expansion bottle. Electrically operated cooling fan.

TRANSMISSION

Front wheel drive. Five speed, all synchromesh gearbox with centre floor gear change lever. 181 mm diameter single dry plate clutch with cable operation from pendant pedal.

FRONT SUSPENSION

Independent torsion bars with telescopic shock absorbers. Anti-roll bar.

REAR SUSPENSION

Independent coil springs with telescopic shock absorbers, trailing arms. Anti-roll bar.

STEERING

Rack and pinion type. Turning circle 10.2 m (33.5 ft.).

BRAKES

Front: Disc
 Rear: Drum
 Split circuit

WHEELS

5B x 13" Styled pressed steel with full wheel cover.

TYRES

165 x 70

PETROL TANK

45 litre (9.9 gallons) capacity, located at rear.

INSTRUMENTS

Speedometer with odometer, trip recorder, fuel gauge, water temperature gauge, warning

lights for ignition, oil level/pressure, trafficator, side lamps, main beam, handbrake, brake fluid level, brake pad wear, choke, rear fog lamps.

STANDARD FEATURES

■ Load adjustable headlamps ■ Reversing lamps
 ■ Rear fog lamps ■ 2-speed wipers with flick/wipe
 ■ Electric windscreen wash ■ Heated rear window
 ■ Tailgate wash/wipe ■ Protective body side mouldings
 ■ Locking fuel filler cap ■ Dipping rear view mirror
 ■ Sunvisors with passenger's vanity mirror
 ■ Interior courtesy lamp ■ Face level ventilation
 ■ Illuminated front ashtray and heater controls
 ■ Analogue clock ■ Interior bonnet release
 ■ Reclining front seats ■ See-through front seat head restraints
 ■ Fold down rear seat ■ Front door pockets
 ■ Rear parcel shelf ■ Carpet floor covering
 ■ Vinyl load area covering
 ■ Passenger's fixed door mirror
 ■ Laminated windscreen ■ Cigar lighter
 ■ Inertia reel front seat belts.

DIMENSIONS

Wheelbase: 2520 mm (99.2")
 Overall width: 1680 mm (66.1")
 Overall length: 3960 mm (155.9")

WEIGHT

Kerb: 945 kg (2083 lbs)

MAXIMUM TOWING TRAILER WEIGHT
 (Braked Trailer) 750 kg (1654 lbs)

DIAGNOSTIC SOCKET

To ensure accurate timing settings, provision has been made for an electro-magnetic probe to be connected to the engine during servicing giving the facility to measure the exact firing point on all four cylinders. This results in more efficient engine operation and aids fuel economy.

PEUGEOT TALBOT WARRANTY AND EXTRA CARE POLICY

During the first twelve months the Horizon Ultra described in this leaflet is covered by an unlimited mileage warranty including both parts and labour, together with free breakdown recovery, should it ever be needed. In addition, for the same period, there is the benefit of the unique Extra Care Policy, providing free

replacement of certain wearing parts, like brake pads and clutches, if they require replacement as a result of normal wear. The Extra Care Policy does not cover cars used for Police and taxi work. Cars used for competitions are also excluded from the benefits of the warranty and Extra Care Policy. Because extensive corrosion protection measures are applied during production, we also offer a six year anti-corrosion warranty safeguarding you against the cost of repair of bodywork perforation due to corrosion.

To benefit from this warranty involves only two checks of the car (taking about 2 hours depending on model, carried out at the expense of the customer at the end of the second and fourth years of service) at a Peugeot Talbot Dealer. This 6 year anti-corrosion warranty is transferable on change of ownership. Your Peugeot Talbot Dealer will be pleased to explain the terms and conditions of this unique triple cover.

Naturally, your Dealer's efforts start before you see your car. He carries out a careful check under our Road-Ready programme to make sure your new car is as it should be. All Peugeot Talbot Dealers in the United Kingdom are bound by our Service Charter, designed to give you, the Customer, a fair deal in all circumstances. Their knowledge and skill are at your disposal - willingly and cheerfully.

FUEL CONSUMPTION

Constant speed driving 56 mph (90 kph)	47.9 (6.9)
Constant speed driving 75 mph (120 kph)	37.2 (7.6)
Simulated urban driving	31.7 (8.9)

These mpg figures are the results of approved tests as recorded by the Department of Transport in official fuel economy certificates. Figures in brackets are L/100 km.

For details of Diplomatic & Export Sales contact Peugeot Talbot Exports, Devonshire House, 74-75 Piccadilly, London W1. Tel: 01-499 5533. It is our continual policy to seek to improve our vehicles in every way and so whilst the details set out in this leaflet were correct at the time of going to press, we are unable to guarantee that no changes in specification have subsequently taken place. We therefore reserve our rights to alter the specification at any time without notice.

Issued by - Merchandising Dept., Talbot Motor Company Limited, International House, Bickenhill Lane, Birmingham. Reference No. C9652/1/20 February 1984.
