

Latest in the Horizon range is the all new SX which features a 1.5 engine with automatic transmission, cruise control, trip computer, bronze tinted glass,

in fact a specification it would be hard to find on bigger, more expensive – and certainly thirstier cars. Whether you choose the 1.1, the 1.3 or the latest 1.5 engine your Horizon will give you more total driving satisfaction than anything else on offer. Put one to the test and see just what makes Talbot Horizon *your* car of the year.
