- A. **Rear Window Wiper/Washer** is an option you'll really appreciate on stormy days. Wiper clears virtually the entire rear window at the flip of an easy-access switch.
- B. **Air Conditioning.** You'll be pleasantly surprised at how much value this "luxury" item adds to your Plymouth Horizon. Gives you quick cool-down even on hottest days, provides unexcelled ventilation what-ever the weather.
- C. **AM/FM/MX Stereo with Cassette Player.** Music, news, weather and traffic reports . . . tune them in and a lot more listening pleasure with this fine quality Dolby\* sound system.

- D. **Luggage Rack** in bright chrome is decorative and extremely functional. Lets you carry those extras you need on a trip without sacrificing interior comfort. Available with optional Ski-Adaptor Package.
- E. **Automatic Speed Control** is convenient to hand, on the all-purpose steering column wand. Disengages immediately when you brake or accelerate.
- F. **Get that Wide-Open Feeling** with a Horizon sun roof. Lets in the sunlight (or moonlight). Gives you an extra measure of ventilation whenever you want it.
- G. **Front Storage Console** is a small miracle of spaciousness. Slide top conceals contents while providing quick access.
